KMS 2020 TRACK & FIELD TEAM
Expectations, Policies, & Procedures

Congratulations on making the Kennedy Middle School Track Team! We are excited you are a part of our upcoming season. Below is a reminder of our expectations, policies, and procedures.

There is MANDATORY morning practices Monday thru Thursday from 8 a.m - 8:50 a.m.

Attendance Policy:

- 3 unexcused/ no notice absences = Removal from team
- 3 tardies = 1 unexcused absences
- A prearranged absence must be communicated with a Coach.

1. Track members must be dressed, checked-in & ready to start practice at the appropriate practice times.

2. Responsibility! We all have responsibilities. As a track member, your child’s responsibility is to be at Track Practices and Track Meets.

3. TRACK MEETS: Please see attached Meet Schedule and Monthly Calendars.

4. Expectations! If your child cannot be at a Track Meet for any reason, we MUST have a minimum of 24-hour advance notice due to meet requirements. Please contact one of the Coaches via note, email, or phone call so arrangements can be made accordingly.

5. Track members are required to check-in the morning of every track meet to verify they will be participating in the Track Meet that day. Check-in will take place in the gym starting at 9am and/or as soon as a student arrives to school. We are required to send in our Track Event List with who is competing by mid-morning of the Track Meet, so if a student does not check-in with the Coach we will not be able to place them in a Track event which will eliminate them from competing that day.

6. Track members competing in the Track Meet will be required to ride the bus to the meet with the team. However, students may go home with a parent from the meet if the parent checks out their child with the Coach. This is important as we are responsible for each child’s safety! Parents picking up their child from the school after the meet must be at the school waiting. Students picked up more than 10 minutes late will be given a warning on the first occurrence, and the second time the student will be removed from the team.

7. During our Track Meets there are a lot of things going on at once. Track members need to make sure they are focused and not hanging out socializing. We have had to scratch several events in the past due to students not being at their event on time. Members of the Track Team should stay until the meet is finished (and not leave before the last race concludes). Every track team member MUST fill out and turn in a transportation form before they can compete at the first meet. Transportation form is attached and must be turned in by 2/13/2020.

8. Discipline! This is something that everyone must be involved in. It takes a lot of Discipline to be the best that you can be and to give it your all. Without discipline and respect for others and ourselves, we could not accomplish anything of value. The following rules are in place to reassure our Track Team is successful on and off the field:

A. Be Respectful to Coaches at all times! This includes not talking back or talking while Coaches are talking.
B. Follow directions the first time they are given.

C. Students who receive a referral will be required to sit out the following meet. If a student has to sit out for more than 2 meets due to school discipline issues, s/he will be removed from the team.

D. Maintains and follows all the eligibility requirements (conduct/behavior/grades). The principal has final say on any decision making regarding these policies.

*Any* severe discipline behavior can and will result in the student being sent home, possible removal from the next practice and/or meet, or possible removal from the Team!

Please keep in mind that your involvement with the Track Fundraisers are mandatory in order to raise the funds needed to cover the Track costs. Thank you so much for all that you do to support Kennedy Middle School’s Track Team. We look forward to a fun and successful season!
