## Challenger 7 Elementary

Positive Behavior Interventions and supports (PBIS) is a research based framework that teaches appropriate behavior, provides intervention strategies when behavioral expectations are not met, and recognizes students when behavioral expectations are met.

PBIS is a team-based design for behavior expectations in all common areas of our school: hallways, cafeteria, restrooms, playground, and car & bus loops. This framework enables our school to:

- Promote a culture of respect, responsibility & safety throughout our school
- Reduce behavior disruptions
- Foster appropriate learning environments to facilitate success for all students

### STAR Student

**Safe**  
**Trustworthy**  
**Actively Engaged**  
**Respectful**

**Challenger 7 Elementary School students can earn STAR Tickets (school currency) by meeting posted school-wide expectations in the classroom, cafeteria, hallways and all other common areas of the school. STAR Tickets can be awarded by any staff member!**

**What can I do  
with my STAR  
Tickets?**

The STAR Store is open once a month in the cafeteria during lunch time. Students use STAR Tickets to purchase snacks, trinkets, games, toys, prizes and special privilege vouchers such as lunch with the principal. Students can ask their teachers about their classroom stores and what is available to purchase using their STAR Tickets.

**Our STAR Store runs solely on donations from our Challenger 7 community. Help us reward our students by donating items from our Amazon Wish List. Items will be shipped directly to the school.**
