

Big Breakfast

THE STORY

Bert, Betty, and Bertha went out for breakfast together at an all-you-can-eat breakfast buffet. They all ate a combination of 18 breakfast items consisting of numbers of eggs, toast, and bacon. Nobody ate the same number of any breakfast item as anybody else. Based on the clues, see if you can figure out the exact number of each type of food each person ate for breakfast.

BERT	BETTY	BERTHA
10 Eggs 6 Eggs 5 Eggs	10 Eggs 6 Eggs 5 Eggs	10 Eggs 6 Eggs 5 Eggs
