

Elementary eLearning Roles & Responsibilities

Parents

- Consider nine-week increments of eLearning instruction, unless it is not academically appropriate.
- Set up space in the home with supplies and materials.
- Post and enforce prescribed schedule provided by eLearning school. Students are expected to participate during the scheduled subject time.
- Assist your child with accessing online instruction.
- Monitor your child to ensure attendance and participation.
- Understand that eLearning requires flexibility and times of independent work during the school day.
- Download and become familiar with MICROSOFT TEAMS

Teachers

- Deliver interactive, engaging, and standards-aligned eLearning instruction from the school site.
- Communicate weekly with parents and daily with students.
- Create lesson plans that are flexible and available for a substitute.
- Attend eLearning and school-based professional development.
- Adhere to school site schedule.

- Be intentional and explicit about timing, pacing, progress monitoring and expectations.
- Understand the school day is a mirror of traditional classroom setting to include core instruction and intervention with BPS adopted materials, pacing, sequence guides and standard Focus documents.

Students

- Follow the routine and eLearning schedule provided.
- Work in a designated eLearning environment away from distractions.
- Be an active learner.
- Let your teacher know if you need help or have questions.
- Complete all work independently or with teacher assistance.
