NOTE: Families of students with disabilities and English Language Learners who choose an option other than Face-to-Face may be contacted by school personnel to review the individual student's needs.

FACE-TO-FACE

- Traditional brick and mortar learning aligned to state standards and BPS instructional plans
- Students are in class with teachers at their zoned/choice school and follow a regular school day schedule
- Families must comply with BPS health and safety guidelines while on school property, during school activities and while in transit with BPS transportation

E-LEARNING AT HOME*

- Full-time at-home learning at child's zoned/choice school with live instruction and classmate interaction
- Students will follow a typical school day schedule via technology and other instructional resources
- Provides parents the option to re-evaluate at the end of each 9 week period to return to brick and mortar with the same teacher(s) (where possible)
- Special programs such as IB, Cambridge AICE, CTE, Academy and other choice options are available

*Pending approval from the Florida Department of Education

PART-TIME IN PERSON/ PART-TIME BREVARD VIRTUAL

- Multiple learning options to meet unique academic, personal or program study needs
- Elementary: Combination of face-to-face and Brevard Virtual courses at home creating a partial school day experience
- Secondary: Combination of face-to-face and Brevard Virtual courses at home creating a partial school day experience OR an entirely at-home schedule
- Secondary: Full or Part-Time Dual Enrollment*

*Qualified High School Students

BREVARD VIRTUAL SCHOOL

- Students will learn from a virtual platform with courses aligned to state standards.
- BVS is taught by local Brevard Public School teachers
- Families create their own learning schedule
