STUDENT CLOSE CONTACT WITH CONFIRMED COVID-19 INDIVIDUAL
COVID-19 RESPONSE PROTOCOLS

If student is at home:
Student stays home and parent/guardian calls to inform attendance/main office.

If student is at school:
Parent/Guardian informs school COVID-19 close contact and arranges for student to be picked up.

RDOH notifies parent/guardian of COVID-19 close contact.

Notify the Assistant Superintendent of Student Services.
Activate District Response Team.

Parent/Guardian informed of next steps by Principal/Designee.

Notify Principal, if not already done.

Notify Assistant Superintendent of Student Services (321) 633-1000; 11270 (321) 614-6864.

Positive COVID-19 Test:
Symptomatic?

Yes: Remain home and away from other people.
No: Stay home 14 days following test and keep away from others as much as possible.

10 days have passed since onset of symptoms started AND:
No fever (<100.4°F) in at least 24 hours without using fever reducing medication AND:
Cough or breathing problems get better.

Negative Viral* COVID-19 Test OR No test OR Waiting on results:
Contact within student household?

Yes: Quarantine for 14 days after household’s date of positive test.
No: Quarantine for 14 days from last contact with case.

Student returns to school.

* For purposes of a negative result, a rapid test is not appropriate
**Flowchart cannot account for all potential situations. BPS and Brevard DOH will consult, as needed, for cases not readily determined by this flowchart.
***Flowchart is subject to change based on guidance from CDC and FDOH.
