Describe the culture of Fairglen Elementary:

The Fairglen Family believes in providing a safe, supportive, encouraging, and inviting environment for all students. We all work collaboratively to meet the individual needs of our students. We celebrate our collective successes during the school year. Fairglen believes in working with families to partner in education to ensure the child's academic and behavioral success. It is important that everyone who steps through our doors – teachers, students, and parents – are excited to be here!
