

School Board of Brevard County

1254 S. Florida Avenue • Rockledge, FL 32955
Desmond K. Blackburn, Ph.D., Superintendent

BASIC PROCEDURES FOR HANDLING MERCURY-CONTAINING FLUORESCENT LIGHT BULBS IN BPS SCHOOL BUILDINGS

- If schools encounter no more than 2 fluorescent light bulbs broken in any one occupied space, (per work shift), school staff may follow the clean-up guide lines developed by the EPA in the following link:

<https://www.epa.gov/cfl/cleaning-broken-cfl#qi>

- If school encounters more than 2 broken fluorescent light bulbs in any one occupied space, (per work shift), then relocate occupants, any from impacted room/space, and contact Environmental Health & Safety office for support.
