- Voters approved minimum wage increase to \$15.00 - Effective October 1 / BPS Implemented August 30 (retro through July 1)
- How do we fix the wage compression for those who already made \$15.00/hr?
- The Need: Average teacher pay- \$51,599, 48th in the nation

Budget

Category	\$ in millions
Total revenue	\$42.9
Categoricals	(14.3)
Family empowerment Scholarship growth	(7.8)
Charter growth	(7.2)
Available Funding	13.6
Min Wage Increase	(5.7)
FRS Rate Increase	(3.4)
Total Florida Mandated Must Pays	(9.1)
Remaining Revenue	4.5

How would the money be used?

- Student programs (8,651,795)
- Technology (2,162,949)
- Employee compensation (43,258,974)
- School Board is not allowed to receive any compensation from this referendum

What is a "MILL"

A property tax levy of \$1.00 per \$1,000 of taxable property value

1 Mill = 0.001

\$100,000 x 0.001 = \$100

Millage Increases Pending November 8 Election: Brevard and Nassau

Millage will last four years unless it is extended by voters

Fast Testing - Wedel

(Florida Assessment of Student Thinking) This is done 3 times a year.. Testing began last week. Everything has gone well so far. The new test has taken much longer than the time allocated for the students. We will share this information with the district.

Parent and Family Engagement Plan (PFEP) Developmental Input – Wedel

Ms. Wedel (Title I Teacher) handed out last year's PFEP for everyone to look over. She reminded everyone that the PFEP is a road map for how families can be engaged in their child's education and how the school can support families with at-home learning. The PFEP is a living document reviewed and updated annually by all families, teachers, and administrators.

In addition, Ms. Wedel shared some of the results from the 2021 Spring Annual Parent Survey.

Results showed:

- 73% of families prefer to get important information through text message/ClassDojo.
- 56% of families prefer to get important information through letters/flyers sent home.
- 54% of families prefer to get important information through email.

- 70% of families prefer evenings (M-F) when attending a school event.
- 40% of families prefer immediately after school (M-F) when attending a school event.

- 77% of families say they would participate in or attend family fun nights.
- 43% of families say they would participate in or attend a reading strategies meeting.
- 43% of families say they would participate in or attend a homework help meeting.
- 42% of families say they would participate in or attend a math strategies meeting.

- 68% of families say they would use academic support materials for families to use at home.
- 46% of families prefer to provide input by completing a survey online.

Group Discussion

- Any suggestions on how we can better communicate with our families? Continue to use ClassDojo to communication back-and-forth between parents, teachers, and the whole school. In addition, SAC parents agreed that they like the sticker reminders that we put on the students the day of or before an event as a reminder.
- What topics would you be interested in learning more about during our Family/STEAM nights? SAC parents stated that they like the hands-on family nights, and maybe a math, art, or technology / coding night would be nice as well.
- Are there any suggestions you have on how family engagement can be strengthened at Cape View? SAC parents and teachers agreed that this year should be better with family engagement since events are allowed back on campus and parents are now allowed back on campus during lunch time to eat with their child.

Ms. Wedel shared that her and Mrs. Travers (Gifted/Title I Teacher) have been discussing when our first Family Night / Annual Title I Meeting will be and that the focus of that night will be geared toward science, which is an area of need on our SIP this year.

Family Night will be October 4th @ 5:00 - 6:30

Book Fair will be October 3rd - October 7th

Exit Slip:

2022-23 Parent & Family Engagement Plan (PFEP) Feedback / Input Survey
