Two sessions and dates are set up so you can log into multiple grade levels. Your child's teacher will be sending out a link for you to join virtually. During this time teachers will explain a little more about their classroom and answer any questions you might have.

As a Positive Behavior Intervention Support (PBIS) school, Audubon built our PBIS expectations that we use as a tool for teaching expected behaviors around S.O.A.R. Students are familiar with S.O.A.R and followed those expectations throughout the school last year. The letters in the acronym stand for **S**afety, **O**wnership, **A**chievement, and **R**espect. The following information shows the expectation along with what the particular behaviors should look like throughout our school.

	Hallway	Cafeteria	Bathroom	Bus	Recess
Safety S	Walking feet at all times	Remain seated 2 to a bench at all times	Use the bathroom as it is intended	Stay in your assigned seat at all times	Keep your hands and feet to yourself, even in play, at all times
Ownership O	Behave as if your teacher is watching	Ask an adult when something is needed	Keep bathroom clean and report any problems immediately	Keep your bus area clean	Use equipment appropriately as intended
Achievement A	Go to your destination and return promptly ready to learn	Use your inside voice	Only use as needed and return promptly ready to learn	Maintain your bus riding privileges	Keep your physical health in mind
Respect R	Be mindful of working classrooms	Clean up after yourself	Value your surroundings	Follow the directions of the adults	Use kind words in your interactions with others

A HUGE thank you to Walden University, Launch Credit Union, Florida Golf Coast University, Unnreal Cookies, and the Corces family for donating items to help with beginning of the year procedures, our PBIS store, and our teacher raffles. We appreciate each and everyone of you!

Meet some of our new staff members:

Mrs. Candace Jones- Principal

My name is Candace Jones, and I am excited to be joining the Audubon family. I am a native Floridian and have lived on Merritt Island most of my life. I graduated from Merritt Island High School, UCF, and Walden University. I have been in education for 28 years serving in various roles from teacher, reading coach, academic specialist, and assistant principal for the past nine years. I am married to Ron who is a Lieutenant Firefighter, and we have one son named Riley who will be a senior at Merritt Island High School. I am looking forward to getting to know the staff, students and community. I will work hard to earn your trust and I am thrilled I get to work collaboratively with you.

My name is Stephanie Nickerson, and I am excited to join Audubon as a Title 1 Teacher. I've been a Florida teacher for 18 years. I've spent those years in Hillsborough County, and am beginning a new chapter at Brevard County. I'm looking forward to forming relationships with you and your children!
