Remote Learning Information:
We are still following the Governor’s Executive Orders and the Brevard Public School District will remain closed for now. Our school district personnel are currently working on a plan as to when items can be picked up from the classrooms and laptops can be returned to the school (Please see schedule below). Additionally, our district office is working on a plan as to when and how registration will take place. As soon as we, here at Audubon get information from our district office, we will be sending it out to you. In the meantime, please continue to participate in the remote learning process and practice social distancing. We want everyone to stay safe and healthy. Thank You - Mrs. Lea
Dear Audubon Community,

I would like to take this opportunity to announce that I will be retiring as of June 30 this school year. It is time for me to move on and allow the next generation of professional learners to lead the way for our students. It has been an absolute pleasure working here at Audubon and I would like to thank everyone for allowing me to serve as your school principal for the past three years. What a joy it has been getting to know and work with the wonderful students, parents, teachers, and staff of this learning community. Merritt Island is definitely a great place to work and learn, and the people are just fantastic. In the future when I think of Audubon, I will always think of the kind, caring, “willing to do whatever it takes to benefit all students” community. My hope is that my time here has created a positive difference for you and your families. I wish all Audubon students much success in the future and I will be looking forward to hearing about all the great accomplishments they will achieve.

Many thanks and good health to everyone.

Mrs. Lea
