### Can you help Audubon PBIS?

As you are probably aware, this year we have adopted a set of school-wide expectations. Similar to the BPS Code of Student Conduct, these expectations define acceptable behavior in our school. You will see these S.O.A.R. expectations posted in all areas of our school campus, with every faculty member responsible for ensuring that all students are following these general guidelines for behavior.

When students are "caught" displaying one of these expectations, they earn an *Eagle Bill*. Students can then redeem them for incentives in their classroom store. Items include scented pencils, school supplies, stress balls, and various other trinkets that kids enjoy. Audubon students can also use their *Eagle Bills* to make purchases from the traveling snack cart that comes through classrooms at random.

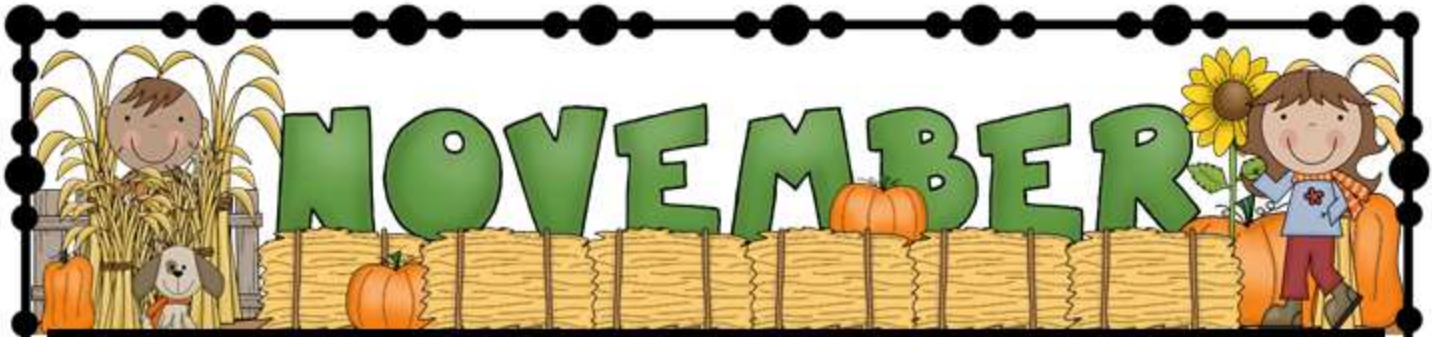

To help keep this program running, we are asking for help through donations from our families, business partners, and community leaders. Please visit our Amazon Wish List using the QR scanner or website link below to make a purchase and support the great things happening at Audubon!
