

Hello Cocoa Beach Families,

We are now into Second Semester and on our way. We do not have school on Monday, as we honor Dr. Martin Luther King, Jr.

Student Survey

Our school district conducts a student survey each year. It is called the Youth Truth Survey. We will administer the survey in Homeroom over the next three weeks. The Juniors and Seniors will complete the survey tomorrow (1/14). The other grade levels will participate on the following two Fridays. We garner a lot of useful information from the survey because the information is from the student perspective. The survey is online and is anonymous.

Program Showcase – Current Students

It is hard to believe, but in a few weeks we will ask students to choose their classes for next school year. To prepare them for that, we are hosting a Program Showcase on Thursday, January 20th. This will occur during lunches. Students will be able to learn about the various electives and programs that we have so they can make informed choices for next year. This event is actually a result of student feedback from last years Youth Truth Survey. They indicated that they did not feel well informed of the various courses and options available in their own school. So this event is one of the strategies to share information with them.

Program Showcase – Future Students

We are also hosting a “program showcase” that same evening, Thursday, January 20th. From 6:00 pm – 8:00 pm we have our Spring Open House for future students. This event is primarily for students who will be attending Cocoa Beach next school year. We will have information about all of our programs, elective classes, and student clubs and sports teams. If you know of families of future students, or anyone looking for more information about Cocoa Beach, please tell them about the Open House. Here is a link:
