

Hello Cocoa Beach Families,

We do not have school this Monday, October 11th. It is a Teacher Workday. Here are a few notes about upcoming activities.

Lagoon Day

Today we survived a very hot Lagoon Day! In their Science classes, all of our students visited the shoreline on the south end of our campus and participate in hands-on learning activities. It was a lot of fun, but it was hot.

Impact Forms

Thank you to all of the families who have returned the Federal Impact Aid forms. For any family who did not return a form it is not too late. Please send the form in with your child as soon as possible. This form leads to funding for the school district. We do have blank forms available in the front office.

Senior Class Meeting

Friday during Homeroom we will hold a Senior Class Meeting in the PAC. Representatives from the Jostens Company will present information to the Seniors about ordering their graduation regalia (Cap/Gown/Tassel) and graduation announcements. It is hard to believe it, but it is time to start ordering things for graduation!

Gifted Seminars

Next week on Tuesday, Wednesday, and Thursday we will host seminars for our Gifted and Talented Students. The student's will receive invitations to attend. Here is the schedule.

Tuesday, October 12

Grade 7 gifted students attend during period 6.

Grade 8 gifted students attend during period 7.

Wednesday, October 13

Grade 9 gifted students attend during period 6.

Grade 10 gifted students attend during period 7

Thursday, October 14

Grade 11 gifted students attend during period 6

Grade 12 gifted students attend during period 7.

PSAT

Next Wednesday we will administer the PSAT to all 10th Grade students and a handful of students in other grade levels. The test will take all of the morning. We will adjust the Bell Schedule slightly so that the students involved in the testing will have a separate lunch at the conclusion of the test. If you have any questions, please let us know.

Thank you for choosing Cocoa Beach Jr/Sr High School. As always, please contact me if you have any questions.
