

Hello Cocoa Beach Families,

I wanted make you aware that several of our students have art work on display at the Merritt Square Mall. So if you have a chance to stop by, check it out. There are a lot of incredible pieces that have been created by our talented students.

### **Course Requests**

We have been working with our students all week to complete the course requests forms for next year. Your child should have a completed form today. We ask that you review the form tonight, if you can, and sign it. We will collect the forms in 1<sup>st</sup> Period Friday. We will then process the course selections and follow up with students (and parents) over the next few weeks.

### **8<sup>th</sup> Grade Field Trip – Permission Forms**

This coming Tuesday, March 1st our 8<sup>th</sup> Grade students will participate in a district-sponsored field trip to the Moore Center in Titusville. We do require parent permission to attend a field trip, even for a district-sponsored trip. Permission forms were distributed in 8<sup>th</sup> Grade American History classes, but if for some reason your child misplaced their form, I have attached a copy. We also have paper copies available in the Front Office. Please submit the form ASAP in order for your child to go on the field trip.

### **Health Care Consent Form**

As a follow up to last week's message I have again attached the Health Care Consent Form. To recap, due to recent legislation (State of Florida) there is a requirement for parental consent before we can treat any student in the clinic. We cannot provide any first aid, even a band aid, without a signed parent consent form. Rest assured that we will always contact a parent when we have a student in the clinic, but with this change in state law, we need written permission before we can administer any aid. If you wish to, please print out and sign the form, and send it in with your student.

### **Parent Survey opens Feb 28**

This Monday, the window for the Brevard Schools Parent Survey will open. We do review and respond to the feedback and input from this survey. You can participate online, or through a paper copy. We will have paper copies of the survey available in the front office. Here is the link to the online version: <https://www.brevardschools.org/2022ParentSurvey>

Thank you for choosing Cocoa Beach Jr/Sr High School. As always, please contact me if you have any questions.
