

Hello Cocoa Beach Families,

Here is your update for May 12th. I am also sending out a separate email to all Senior families with information about graduation.

Shelter in Place

Today, we ordered a "Shelter in Place" safety protocol for a short period of time. A Shelter in Place freezes all student movement (keeps them in class). We had a report of a possible intruder on campus. Once we verified that we did not have an intruder on campus we resumed normal operations. I am sharing this with you in case your child mentions it. If we had believed we had a more serious situation we would have enacted more safety protocols.

Final Exams

We will use a modified Bell Schedule for all of the Exam days May 23rd-26th. Monday, May 23rd we will have shortened classes in Periods 1-6 and then an extended period for a 7th Period Exam. May 24th-26th we will have Morning and Afternoon exams. Students will have Lunch and Homeroom in between exams. Both schedules are attached.

After Exam Checkout

With prior parent approval, students are permitted to check out and leave school as soon as they complete their last exam of the day. A separate form will be required for each Exam Check Out. The form must be signed by a parent in advance. Forms will be available in the Guidance office starting Monday, May 16th.

Counselor Connect

We are hosting a Counselor Connect session this Tuesday, May 17th. We will begin at 6:00 pm and we will be in the Media Center. The focus will be on what things current Juniors and Sophomores can do over the summer and early next school year to prepare for the College Applications process.

Thank you for choosing Cocoa Beach Jr/Sr High School. As always, please contact me if you have any questions.
