

Hello Cocoa Beach Families,

If you have not heard, we are closed Wednesday and Thursday of this week. School is canceled and all after-school activities are also cancelled for both days.

Today's after-school activities: All after-school activities today are cancelled, with the exception of the Middle School Basketball games being played at Johnson Middle School. All other events are cancelled.

Open House: With the cancellation of school, we will not have Open House Wednesday night. We will look for a new date on the calendar and inform you as soon as we can.

School on Friday September 30?: As of this time, the school district has not made a decision about school on Friday. We will share information with you as soon as we get it. Please monitor the local news as well.

Football Game on Saturday: Whether we return to school or not on Friday, we are moving the home Varsity Football Game to Saturday, October 1st at 5:00 pm. We will check the condition of the field on Saturday for a final confirmation, but as of now our Varsity Football game is now on Saturday.

Homecoming Week: We do have a full week of Homecoming activities scheduled for next week, October 3rd through 8th. We have spirit themed dress up days each day of the week, and we open the week with "Decades Day" on Monday. We will have a Pep Rally on Thursday, a Parade and Football Game on Friday, and a Dance on Saturday. More info next week.

We hope that everyone stays safe through this encounter with Hurricane Ian.
