

Hello Cocoa Beach Families,

I hope that you are all doing well. I want to share some information about next week and a few other activities.

College & Career Week: Next week is College & Career week. We will have on-campus visits from several state colleges and universities, and numerous activities for our students to participate in throughout the week. They can earn prizes! We encourage students in all grade levels to participate in the activities. Make sure your student has joined the Student Services Google Classroom (code: [jsbmng](#)) to submit each day's activity and earn points for their homeroom class. Juniors and seniors will be able to attend live college visits on campus. Check out the flyer for more information!

Virtual College Fair: College & Career Week kicks off with a nation-wide virtual college fair Sunday afternoon at 1:00 pm. Everyone is welcome to login to that fair. Again, this is open to all. Here is the registration link: <https://www.nacacattend.org/22VirtualSep11>

Counselor Connect: As part of College & Career week we will host an information meeting for students and parents. Counselor Connect will be Wednesday, September 14th from 6:30 pm – 8:30 pm. There will be sessions on the College application process, Financial Aid, and more. We will start in the Media Center.

Emergency Drills: We are conducting Emergency Drills tomorrow; September 8th. These will be around midday, so if you drive by and see us in our evacuation locations, no need to worry. We are conducting drills.

Senior Parents: Project Graduation is holding their first information meeting TONIGHT at 6:00 pm in the Media Center. I apologize for the late notice, but this one got away from me. If you can join us that would be great. You can learn more about Project Graduation at: <https://www.cbhspg.org/>

Thank you for choosing Cocoa Beach. Please reach out if you ever have any questions or concerns.
