

Hello Cocoa Beach Families!

We are about to kick off yet another school year and hope that everyone is ready! The first day of classes is Tuesday August 10<sup>th</sup>. We do have registration sessions this week. I have attached a document with details, including an FAQ.

I thought I would share a few other pieces of information as we open the year.

### **7 Period Schedule**

I am not sure if everyone is aware, but we will not be on the block schedule this year. We will return to the standard 7 period schedule with year long classes. We will also return to 2 lunch periods. I have attached a bell schedule so you can see the times.

### **COVID Updates**

As we open school, face masks are optional. We will still have plenty of face masks available for students who want to wear them. We are continuing some mitigation protocols from last year. For example, we will still have one-way traffic in the hallways, we will have hand sanitizer dispensers in classrooms, and all classrooms will be deep cleaned each day. Also, we will have assemblies and other group meetings, but when we do, we will spread the students out as much as we can. Unfortunately, we may still have students and employees who test positive for the virus and so will have to contact trace and could face some quarantines.

### **Teacher Vacancies**

As of today, we still have a couple of teaching positions that are unfilled. I do have some interviews set up this week, so we hope to have these filled before we start. I just wanted to share in case there is a substitute teacher in a classroom on the first day.

### **Minutemen Muster August 4<sup>th</sup> from 6:00 pm – 8:00 pm.**

The Muster is for 7<sup>th</sup> Graders and anyone who hasn't attended classes on campus at Cocoa Beach. At the Muster students will have the opportunity to take a tour of the campus, meet coaches, club sponsors, leaders of student groups, and even play some

games. There will also be information sessions for parents about various programs such as International Baccalaureate, FOCUS help sessions, and more.

We hope everyone enjoys the last few days of summer. As always, if you have any questions, please contact us.
