

Hello Cocoa Beach families,

I want to thank everyone who participated in the Drive-Through Registration experience. We registered over 800 students! We corrected the car line issues from Tuesday, so Wednesday and Thursday were much smoother. We hope that we can return to a more normal experience in the future. We have some information to share as we prepare for the coming week.

### **eLearning Packet**

We will send out a separate email early next week with a lot of information about eLearning. For example, we will provide detailed instructions on how eLearners access their live classes. We will also send out an “agreement” for all students who are participating in eLearning. So look for that email Monday or Tuesday (August 17<sup>th</sup> or 18<sup>th</sup>).

### **Class Schedule Tutorial**

We realize that our class schedules look a lot different this year. So we put together a video tutorial to help you understand how to read your schedule. The link to the video is below.

Also, if you have a question or concern about your schedule there is a link on the back of the schedule, and it is also posted on our school webpage.

### **Make-up Registration**

If you were unable to attend the drive-through registration experience we still need you to participate in registration. We will have make-up registration on August 19 & 20. You will be able to turn in paperwork, sign up for a bus, and get student planner and schedule. The make-up registration will be at the Performing Arts Center (Auditorium) these dates/times:

- Wednesday, 12:30 pm – 3:30 pm
- Thursday, 12:30 pm – 3:30 pm

### **Bus Passes**

If you have signed up to ride the school bus, but have not been able to pick up your bus pass, we will have them available here at school starting Wednesday, August 19th. If you need to ride the bus but have not signed up, please contact the Brevard Schools Transportation Office:

That should be it for now. Please let us know if you have any questions. We are looking forward to another fantastic year.
