Hello Cocoa Beach families,

We are almost there! We start school on Monday – in person and eLearning. We hope that the students are as excited as we are (I know the parents are). We have a bit of information to share (and some more tomorrow).

Bell Schedule

Attached to this email is a copy of our class Bell Schedule for the year. We realized that all of our students need this, especially the students who are eLearning, so that they will know what time they need to "log in "and attend their classes. Please note that Homeroom is once a week, on Friday afternoon. eLearners do need to log in to homeroom. Here are Lunch assignments:

- A Lunch: Buildings 14 & 15
- B Lunch: Buildings 4 & 5
- C Lunch: Buildings 2, 3, 6, 7, & 16

Laptop Distribution

We do have a limited number of laptops that we can check out to students to use for eLearning. We will distribute these laptops on Friday morning from 9:00 am to 12:00 pm. This will be on a first-come first serve basis. Please understand that we only have a limited number of laptops to check out, so please do not take one if you do not really need it.

eLearning Packet

Speaking of eLearning. Thursday (tomorrow) we will send out an information packet that covers all of the information about eLearning that we have been able to gather so far. This will include log in tips and other useful tools to navigate this new learning platform.

Schedule Changes

Our Guidance Counselors are working non-stop on student schedules – both schedule change request and new student schedules. That's right – new student schedules. A lot of families have recently joined us here at Cocoa Beach, and we are glad to have them. So our classes are more packed than ever and making the switch to a block schedule has added a few more wrinkles. Please have patience as we work through all of the changes to student schedules.

Please let us know if you have any questions.

Mark J. Rendell
