

Here is the update for February 18, 2021

Slight Interruption Today

You may have heard that we had some guests on campus today. The students and teachers from Roosevelt Elementary needed to evacuate their building for a short time and so we hosted them here. They came over just before lunch, so we had to push back our lunch times a little. Things were resolved quickly at Roosevelt and we were all back to normal fairly quickly. Our students and staff handled everything very well.

Course Requests for next School Year

It is hard to believe, but we will soon begin collecting requests from our students for the courses they wish to take next school year. In Homeroom tomorrow students in grades 7 – 11 will be given information about the process. A lot of what will be covered is now on our website. Senior Class Information

We have a Zoom meeting with the Class of 2021 tomorrow during Homeroom. We have a lot to cover with them. If you have a Senior in the family, please ensure that they log in to the Zoom. The Senior Homeroom teachers have the Zoom link. We also plan to send a separate communication to “Senior” families with the Zoom link.

Thank you for your trust in us as we educate your child. As always, please contact us if you have any questions or concerns.
