

Hello Cocoa Beach Families,

Here is your Principal Message for January 13, 2021.

### **Special Exam Schedule**

Thursday and Friday we have a special Bell Schedule to accommodate exams. I have attached that schedule to this email. It is also on our website. We finish our day at our normal Early Release time of 2:15 pm. We will not release students early if they finish their exam. They need to remain in the class until the exam period is over. This prevents students from rushing through their exams to leave early.

### **Second Semester Schedules**

Next week we begin a new semester with all new classes. So, very similar to the beginning of any school year there will be some adjustments to student schedules. We have resolved many conflicts already, but there may still be some changes to individual student schedules and even the master schedule overall. Please be patient as we work through any schedule issues.

### **Student Survey**

Please remember that we are also conducting a Student Survey over the next few days in Homeroom. It is an online survey and takes about 20 minutes. Our eLearners can get the link to the survey from their Homeroom teacher.

### **COVID Contact**

We did have another case of a student who was on campus who has tested positive for the COVID 19 Virus. We have spoken with each family affected. I have attached the standard notification letter.

Thank you for your trust in us as we educate your child. As always, please contact us if you have any questions or concerns.
