

Hello Cocoa Beach Families,

Welcome to 2021! We hope that everyone had an enjoyable and safe Holiday season. We all return to school Monday January 4th - tomorrow! We are excited to get back to work and see our students - in person and through virtual instruction.

Health and Safety Protocols

As we return to school we need to recommit to our health and safety protocols. For our in-person learners - remember that a mask must be worn at all times when you cannot maintain proper social distancing on campus. Also, we need to follow all other health and safety protocols, such as the seating designations in the cafeteria.

Exams on January 14th and 15th.

Our semester does not end until January 15th, so we will be in the same classes until then. To close out the semester we have exams on January 14th and 15th. We will actually have an Early Release schedule the 13th, 14th, and 15th that week, but exams only on the last two days. We will send out a detailed schedule in the weekly Principal Message this Thursday. We will also have accommodations in place for eLearners who need to come in and take exams on campus.

Student Survey

During that same week we will be asking our students to complete an electronic survey. It is called the Youth Truth Survey and it is part of a school district plan to gather input from our students. Our students took the survey last year and so it will be great to get some results to compare. The survey is online and only takes 15-20 minutes. We will complete it in Homeroom. We will send out links for the survey to our eLearners as we want every student to participate. Again, this will occur during the week of January 11-15.

Thank you for your trust in us as we educate your child. As always, please contact us if you have any questions or concerns.
