Parent Survey – Thank You!

We had a fantastic response to the district parent survey. In just this week our total response rate jumped to over 35%! **Thank you** to everyone who took the time to fill out the survey. Once the district releases all of the results to us, I will host a parent meeting (maybe through Zoom) to share the results with all of you. We want to know what we are doing well and what we need to work on.

I hope that everyone is able to enjoy a safe and healthy break from school. Thank you for your trust in us as we educate your child. As always, please contact us if you have any questions or concerns.
