

Here is your update for March 25, 2021

Smooth Finish

We have had a smooth week so far. We are completing the 3rd Quarter grading period Friday. We were able to administer Mid-Term Exams without a special schedule or any interruption other than a slight change to the Lunches Wednesday. Just a reminder that we will be distributing paper schedules to all in-person learners during Homeroom Friday, as some will have new classes Monday.

Emergency Drill Friday

Friday afternoon we will conduct an Emergency Drill. We conduct these drills in conjunction with local law enforcement and fire department personnel. There is no need for concern. We conduct these drills to practice and prepare for emergencies.

Student Performances

Throughout the year, our students have been able to engage in many "normal" high school activities, such as athletic competitions. Even with adjustments for Health and Safety protocols, the experience of these events is extremely valuable. I wanted to make you aware of some other student performance events coming up.

- April 15-17 our Theatre Department will perform "Alice in Wonderland"
- April 27 our Orchestra and Chorus will host a Spring Concert
- April 29 our Band will host a Spring Concert.

These events will be held in the Performing Arts Center with very limited audience seating. I am so thankful that our students will be able to demonstrate their skill and talent in the performing arts!

Thank you for your trust in us as we educate your child. As always, please contact us if you have any questions or concerns.
