

Hello Cocoa Beach Families,

Here is your update for March 4, 2021

Parent Survey – Please respond!

We really need your input. I want to thank everyone who has completed the online Parent Survey, but we only have a 10% response rate so far! It is a quick, online survey that only takes a few minutes. We really do look at the results of the survey and respond to your input. Click on this link to take the survey: <https://www.brevardschools.org/Page/17966>

eLearners - Choose your courses!

eLearners, if you haven't done so already please go to our website and fill out your electives course request for next school year. The link to our online Google form can be found on the main page of the school website. Choose the form for the grade you will be in next year. Here is the link: <https://www.brevardschools.org/Page/17984>

FLVS – Complete your courses!

Students who are currently taking courses through Florida Virtual School (FLVS) must stay on track to complete their classes on time. We can check progress on courses at FLVS and right now many of our students are not meeting their time line benchmarks. If you have questions or concerns, contact your counselor.

Track Fundraisers

As you may be aware, our track will be renovated this summer. A community group called "Get on Track" is raising funds to upgrade the renovation with a rubberized surface. This would really benefit our school. Here a couple of their fundraisers:

- **Minutemen Muster 5K**: On Saturday, March 27th there is a 5k run that will start and finish at the track. This is a great way to support the cause – and get some exercise!
- To register: <https://runsignup.com/Race/FL/CocoaBeach/MinutemenMuster5k>

- **Commemorative Bricks:** The entryway to the track area will have a series of brick pavers. You can purchase a “brick” that will be placed in the entry way. This is another way to help out the cause (and you don’t have to run...).
- Here is a video about the bricks: <https://www.cbhsgetontrack.com/brick-fundraiser>

Thank you for your trust in us as we educate your child. As always, please contact us if you have any questions or concerns.
