

Hello Cocoa Beach Families,

Here is your Principal Message for October 16th:

Homeroom Oct 16

Tomorrow during Homeroom Mr. Kellam, the IB Coordinator will host a virtual meeting with the 10th Grade IB students to discuss some aspects of the Personal Project. Here is the Zoom link for any 10th Grade IB students who are eLearners. <https://brevardschools-org.zoom.us/j/87079887141> Homeroom is from 1:35 pm to 2:15 pm.

Student Pictures Oct 20th

This is the last reminder of our picture day on October 20th. This is for eLearners, but also for any in-person learners who missed our first picture day, or need a re-take. There are still a handful of appointment slots for eLearners.

<https://www.signupgenius.com/go/805044FABAD29ABF94-student>

In-person learners did receive their pictures and ID's last week in Homeroom. So if you haven't seen your child's pictures, you may want to check that backpack...

Homecoming Week Oct 19-23

Next week we participate in the uniquely American tradition of Homecoming. Usually we have "spirit days" during the week, a pep rally on Friday, a parade, a football game and then a dance. Well, this year we will have spirit days, a virtual pep rally, and a football game. We will not have a parade, or a dance. But we will crown a Homecoming King and Queen at halftime of the football game!

College and Career Week Oct 26-30

Our Guidance Counselors are hosting a week full of activities about plans for after high school during the week of October 26th through 30th. Most of the activities will be interactive virtual meetings, with a couple of YouTube presentations as well. There will be a Resume Workshop, a Financial Aid night, and sessions covering college applications and essays. Here is a link to info: <https://www.brevardschools.org/cms/lib/FL02201431/Centricity/Domain/19/College%20Career%20Week.pdf>

Immunizations

School District and State policies require certain immunizations for our students. We have a number of students whose files do not contain a record of certain immunizations. This happens each year, primarily with the incoming 7th Grade class. Soon a number of families will receive a letter from the Health Department indicating that these records are needed. We have the list and will be working with those families to locate the needed records.

Thank you for your trust in us as we educate your child. As always, please contact us if you have any questions or concerns.

Mark J. Rendell
