

Course Title: "New Hire Retirement Plan Choice Workshop"

This retirement plan choice workshop is for new employees who want to learn about the Florida Retirement System (FRS) Retirement Plans. You will leave the workshop with a full understanding of the FRS Pension and Investment Plan, as well as the tools and resources available to help you determine which plan may be right for you. Presentation by an Ernst & Young representative.

Target audience: Employees new to the FRS within the 8-month plan election window.

Welcome to Brevard Public Schools! The Florida Retirement System (FRS) is the retirement program for our District. As a new, eligible employee, you must choose from one of the two FRS plans, Investment Plan or the Pension Plan.

You have eight months to make your plan choice. If you do not make an active choice, you will default into the Investment Plan when your 8-month window closes.

We highly encourage you to attend one of these workshops. Please register in ProGOE, course and section numbers for each session are below.
