## Noteworthy

Our International Baccalaureate Programme offers students the opportunity to experience extremely challenging, university level, coursework and earn an international diploma. There are over 3,000 schools in 146 countries across the globe that participate in this program. To earn the diploma students must demonstrate mastery on assessments in multiple disciplines. Our performance in this program consistently surpasses other IB schools around the world.

## Academic Excellence

The U.S. News and World Report named Cocoa Beach one of the "World's Best High Schools" in 2021. The highest ranked public schools in the U.S. The award is based on the number of students who demonstrated outstanding outcomes above expectations in state assessments, and scored top marks in college-level coursework such as International Baccalaureate and Advanced Placement examinations. Cocoa Beach consistently achieves this designation.

## Describe the culture of Cocoa Beach Jr./Sr. High:

Cocoa Beach has a rich tradition of strong academic performance, highlighted by the landmark success of the students in our International Baccalaureate Programme. We are a community school, founded over 50 years ago. While we are known for our academic success, we remain true to our roots. We enjoy a relaxed, but focused, atmosphere here at the "Beach."
