

# Lunch in the Manatee Meadow

Beginning Wednesday, September 7<sup>th</sup>, there will be one day a week that parents can sign up, in advance, to come in and have lunch with their student. This will only be allowed each Wednesday and there will be limited spots available, so parents must sign up at <https://signup.com/go/riruHsi>

Please include your child in the number of people you are signing up.

To allow this to happen there are some guidelines that we must follow. Please see below:

- Parents must be on time for their child's scheduled lunch time.
- Parents must communicate with their child's teacher that they will be coming to lunch on that day.
- Parents must sign in at the front office and their child will meet them there at the beginning of the lunch period.
- Parents will be escorted to the Manatee Meadow and supervised if they are not a registered volunteer. Registered volunteers do not need to be escorted or supervised during their lunch in the Manatee Meadow.
- Parents may only have lunch with their child.
- We strongly suggest that younger siblings stay home as we will have limited seating available.
- Please be mindful of time, your child will need to report back to the cafeteria before the end of their lunch period. Parents will sign out in the front office.
