Media Center News & Events

Lockmar's media center provides support and assistance to ensure that students are given a variety of enrichment opportunities. The annual PTA sponsored Book Fair was recently held in the media center. Thanks to all the volunteers who helped make this event a great success.

Reading Counts – The school-wide Reading Counts reading incentive program is managed by the media specialist. Students read a book of their choice, take the computer quiz at school, and earn prizes for points earned on each quiz. Reports are run monthly and points are accumulated all year long. Students can also earn certificates of recognition at the quarterly awards ceremonies.

Keep Brevard Beautiful Assemblies for 4th and 5th grades – On Friday, October 19th, all 4th and 5th grade classes will be treated to an in-school assembly in the media center with the Keep Brevard Beautiful staff during their activity class. This annual event teaches students about our natural resources, how to reduce, reuse and recycle our resources and all about the landfill.
