Mark W. Mullins, Ed.D., Superintendent

November 2, 2020

MEMORANDUM

TO: Principals

FROM: Robin L. Novelli
Chief Operating Officer 

SUBJECT: FortifyFL and Speak-Out Posters

Florida statutory language within SB 7030 requires us to promote the use of a mobile suspicious activity reporting tool by advertising it on the school district website, in newsletters, on school campuses and in school publications, by installing it on all mobile devices issued to students, and by bookmarking the website on all computer devices issued to students. Our district Educational Technology Department has made it available on Launchpad as well as district and school websites. We need principals to ensure the other methods I have underlined above are implemented.

Brevard Public Schools is promoting the use of FortifyFL and Speak-Out as our mobile suspicious activity reporting tools. The Office of District Operations will be sending color posters for FortifyFL and Speak-Out to each school again this year during the week of November 2. When you receive the posters, please display them in an appropriate location so they may be viewed by students, faculty and staff. Please also promote these reporting tools in your newsletters and school publications as the statute requires.

If you have any questions regarding the posters, please contact me.

Robin L. Novelli
Chief Operating Officer
