

**Audition requirements for DeLaura Advanced Choruses  
(Vocal Ensemble 1 & 2) 2022-2023  
March 21, 2022 - April 30, 2022**

- 
- **Students will make an appointment with Mrs. Benincasa before or after school via email:  
benincasa.lisa@brevardschools.org**
- **Students will do a short vocalise with Mrs. Benincasa - this is a range test - not a pass fail!**
- **Students will prepare and perform the first verse of “Somewhere Over the Rainbow” (original version made famous by Judy Garland in The Wizard of Oz) in any key signature using these lyrics: “*Somewhere over the rainbow, way up high, there's a land that I heard of once in a lullaby.*” Examples will be provided on the DeLaura Website under chorus.**
- **Students MAY prepare a verse and or chorus of a pop song to sing, but are not required to do so.**
- **Students will attempt a short sight reading passage. This is not a make or break, and I will take into account students who are incoming and have not done this.**
- **Mrs. Benincasa will balance groups and give results to guidance and students will be notified when schedules are complete.**

**GOOD LUCK!**
