SECTION I - Core Academic Courses			
Students will be placed into core courses depending on their grades and needs. Core courses do not receive teacher recommendations. The courses listed below are the core course options in which your student may be placed.			
Math	Language Arts	Science	Social Studies
Algebra 1 Honors* Accelerated Math Grade 7	ELA 2 Advanced	Science 2 Advanced	Civics Advanced
*Algebra I Honors is a rigorous, high school credit course. Students are placed based on F.A.S.T. scores and grades.			
REACH Academy			
The REACH Academy is a rigorous academic curriculum that prepares students for accelerated high school programs. A separate application is required (available on Hoover website). REACH students are placed in the advanced track for all courses, and either Algebra 1 Honors or Accelerated Math Grade 7.			

Below, please list the elective courses you would like to take, in order of preference. When registering for a year-long course, you must be committed to remaining in the course for the entirety of the year. Please list a course in each of the boxes. **If electives are listed, counselor will select your elective courses.** While students have two electives on their schedule, it is important to choose alternates in case you do not get your first choices. Only include a teacher signature for courses that require it (see back page).
