Teacher Recommendation

(Student to complete top portion and distribute to English & Math teachers)

Date _____

Student's Name (printed) _____

Current School _____

Student's current grade level _____

The Cambridge AICE curriculum is a pre-university academic program beginning in the student's freshman year and continuing through the senior year. This international curriculum is centered around written assessments. Students following this program of study in their junior and senior year should anticipate fulfilling all the requirements for the AICE Diploma upon graduating. Upon meeting the requirements, students could earn up to 45 college credit hours and qualify for the Florida Academic Scholar Award Bright Futures Scholarship
