<p>Meadowlane Brevard After School Program</p> <p>This program provides a safe and happy place beyond the school day for children of families in our school. Our program offers a 10-month curriculum that encourages children to explore and choose from a variety of activities. Participants are accepted on a first come, first served basis. The Brevard After School Program is located in the cafeteria. For more information please call the program coordinator, Jeffrey Brown at 321-952-5833 or send an email to Brown.jeffrey@brevardschools.org</p>	<p>Internet Acceptable Use Policy</p> <p>All students who use Brevard County School Board computers will have access to the internet unless their parent signs the Student Internet Acceptable Use – Opt Out form. (7540.03F1) This form can be obtained at the front office.</p> <p>Student Computer and Internet Acceptable Use and Safety Procedures (7540.03) are located at: www.neola.com/brevardco-fl/search/ap/ap7540.03.htm</p>

Registration Information and Immunization Requirements

Monday-Friday 7:30 am to 3:00 pm (School Hours)

Proof of residence for the **Meadowlane Attendance Area** is required to begin the registration process. Please call **723-6354** and speak with Mrs. Donohue if you have

any questions about the appropriate proof of residence (as listed below) or attendance boundaries.

Kindergarten & New Students

To register please bring the following information with you:

- **Proof of Residency** – A utility bill that shows the “service address” **and** parent/guardian’s name
- **Student's Social Security Card**
- **Birth Certificate**
- **State Health Form** (physical)
- **Immunization Record**
- **Last Report Card** (for other than Kindergarten)

Children entering kindergarten for the first time must comply with **Florida Statute 232.04** regarding age. For the school year 2011-2012, a child must be **five years old on or before September 1, 2012, in order to be eligible for kindergarten.**

Florida law requires that all children attend and satisfactorily complete the requirements for kindergarten and be **six years old on or before September 1 in order to be eligible for first grade.** The mandatory Florida school age requires that the child who will be six by February 1, 2013, must attend school regularly during the entire school year.

To register a child for kindergarten, parents must submit the child’s birth certificate.

Before a child enters school in August, parents must submit the child’s immunization records which include **five doses** of diphtheria, pertussis and tetanus, **four doses** of polio vaccine, **two doses** of red measles (rubeola) vaccine, **two doses** of German measles (rubella) vaccine, and **two doses** of mumps vaccine as required by **Florida Statute 232.032**. All kindergarten students will be required to have the hepatitis B series (**3 doses**). **Also effective since the 2001-2002 school year**, children entering, attending, or transferring to preschool through 5th grade in Florida schools will be required to have **varicella (chickenpox) vaccine**. In each subsequent year thereafter, the next highest grades are included. Varicella vaccine is not required if child has documentation of history of varicella (chickenpox) disease.

Beginning kindergarten students should have a school entry physical examination completed before starting school, since no school records need to be transferred. The physical examination must be performed within one (1) year of the day of entry.

Any student who does not have the immunizations or a proper exemption on the basis of medical or religious grounds will not be enrolled in school until full compliance. Forms for these health requirements are available at the Brevard County Health Department and at most doctors' offices.

All kindergarten pupils will receive educational, vision, hearing and language screening.

Immunizations are FREE at all Brevard County Health Departments and at the Public Library Immunization Clinics.
