

Astronaut Club Promotes creativity, teamwork, the understanding and application of STEM subjects, and the sharing of ideas. Some club members will meet once a week to design, build and launch rockets using scientific and engineering processes. Other club members will meet twice a week to prepare for the Florida Student Astronaut Challenge which is an open, nonprofit event that is dedicated to providing schools with the ability to foster interest in science, technology, engineering and mathematics. Contact Mrs. Alexander in room 103 or ext. 5103.

AVID Club (Advancement Via Individual Determination) AVID students meet to discuss our field trips, community service ideas, and planning college awareness events for on campus. Contact Ms. Grabowski in room 408 or ext. 5408.

Basketball Club Starting in the spring semester for boys and girls. For students who are interested in learning basic basketball skills and playing non-competitive basketball. Contact Coach Jones in the gym, ext. 4006.

BETA Club A service-oriented club for 8th grade students with a GPA of 3.0 or higher. The club motto is “Let us lead by serving others”. Students must have approval from teachers and must complete 20 community service hours during the school year. Contact Ms. Scott in room 407 or ext. 5407.

Book Bash Club Members read the Sunshine State Young Readers books each year and participate in a celebration of reading with other Brevard County middle school students at the annual Book Bash event held in March of each year. Contact Ms. Maggio in the media center or at ext. 5905.

Cheerleading Squad The cheerleaders tryout in the spring of the previous year and then participate in the basketball season in the fall. Contact Mrs. Whitfield in the front office or ext. 1000.

Fellowship of Christian Athletes (FCA) A chance to connect with other students whose lives are guided by Christian values. Once a week students have access to an open gym format for recreation and exercise, then meet with a local youth pastor for discussion. Contact Mr. Fordyce in room 305 or ext. 5305.

FIRST (For Inspiration and Recognition of Science & Technology) Lego/Robotics Club Become a Stone Royal Gopher!! Each year this team gets a new challenge that focuses on a scientific topic or question and includes The Robot Game, The Project, and Core Values. The Core Values are part of what makes this club so special. Students compete against the game but still respect their teammates, coaches, and even their “competitors.” Don’t forget, our last (and maybe most important) Core Value is “We have FUN!” Contact Mrs. Coleman in room 102 or ext. 5102.

FJAS (Florida Junior Academy of Sciences) Offers students an opportunity to compete at the state level with their scientific research. Selected students present their research findings at the annual FJAS conference each year. FJAS supports and encourages scientific aptitude among secondary school students. Contact Mr. Regan in room 311 or ext. 5311

Future Problem Solvers Meets weekly to discuss how to solve real-world problems. We have a competition every spring where we compete against other middle schools in the county. Contact Ms. MacWhinnie in room 502 or ext. 5502.

Future Educators of America Future Educators of America meets weekly to discuss lesson plans and how teachers “plant the seeds of knowledge.” Contact Ms. MacWhinnie in room 502 or ext. 5502.

National Junior Honor Society A service-oriented club for students who have finished their first semester of 7th grade. Must have at least a 3.5 GPA and be invited. Contact Ms. Aiken in room 106 or ext. 5106.

Odyssey of the Mind (OM) An international educational program that provides creative problem-solving opportunities for students. Contact Mrs. Alexander in room 103 or ext. 5103

NEW: **Photography Club** Creative fun and learning for up and coming shutterbugs. Contact Mr. Kelly in room 504 or ext. 5504.

NEW: **Precious Stones Drone Club** Focusing on encouraging more girls to be involved with STEAM activities and interests. Meets every Wednesday morning at 8:30 in the Media Center. Contact Ms. Maggio in the Media Center or ext. 5905; contact Ms. Bentley in room 303 or ext. 5303.

Spanish Club For students who would like to enrich and enhance their knowledge of the Spanish culture. Contact Ms. Avila-Carvajal in room 508 or ext. 5508.

Speech and Debate Club Meets weekly to rehearse and create speeches and interpretations to present at the County Tournament in March. Students can choose to write their own speeches, re-enact famous speeches from history, or perform interpretations from a literary work or play. Contact Ms. Scott in room 207 or ext. 5207.

Spring Volleyball Club For both boys and girls who are interested in learning basic volleyball skills and playing non-competitive volleyball. Contact Ms. Doyle in the gym or ext. 4003.

Stone Sensations Dance Team Promotes school spirit by performing organized dance routines at basketball games in the fall and representing our school at parades and other community service events throughout the year. Tryouts offered in the Spring. Contact Mrs. Whitfield in the front office or ext. 1000.

NEW: **Stone Steppers** Appearing at events with the *Stone Sensations Dance Team* and performing the form of percussive dance using the entire body as an instrument to produce rhythms and sounds through a mixture of footsteps, claps and spoken word. Contact Mrs. Whitfield in the front office or ext. 1000.

Student Government Represent your class. Run for an office of Student Government Association. Contact Ms. Aiken in room 106 or ext. 5106.

S.W.A.T. (Students Working Against Tobacco) Our goal is to prevent and limit the use of tobacco use amongst youth, while protecting them from second hand smoke. Contact Ms. MacWhinnie in room 502 or ext. 5502.

Track Club Starting in the spring semester for boys and girls. For students who are interested in learning basic track/running skills and running non-competitively. Contact Coach Heid in the gym or ext. 4006.

Weightlifting Club Starting in the spring semester for boys and girls. For students who are interested in learning basic weightlifting skills. Contact Coach Heid in the gym or ext. 4006.

NEW: **Writing Club** Wordsmiths unite! Contact Mr. Kelly in room 504 or ext. 5504.
