

## **MATH SUPERSTARS LONGLEAF**

# **Math SuperStars**

2018/2019

Every year, we offer an enrichment opportunity for our students in the area of Mathematics through a volunteer run program called *Math SuperStars*. This program is totally optional and is not required for any class in the school. It does provide an opportunity for students, who have a strength in the area of math, to challenge themselves with math problems that average one to two grade levels above their actual grade level. The weekly sheet has problems that vary in difficulty. One-star problems are easier than three and four-star problems. When the students reach different milestones, they will receive different rewards (e.g. pencils, restaurant meal coupons, tattoos, etc.). These Math challenges can be attempted by all students regardless of their proficiency at math. We value parents helping their students understand skills and concepts, like working with a calculator, protractor or a compass, but the work should be done by the students. Have a little fun with math as a family.

Each week, those students who are signed up to participate should download, print and complete the weekly Math SuperStar Paper from the website:

<https://www.brevardschools.org/math-superstars>

After completing the paper, the students can turn in their paper in the envelope located in their classroom. The first paper is due Tuesday, Sept 11th and then a paper is due every Tuesday after that until Nov 13th when we will pause & start again in January. There are ten worksheets each semester. The sheets are scored by parent volunteers and returned to the students the next week. The papers do not count for a grade in any class/grade level. It is their effort that is rewarded and recognized.

Below is a schedule of due dates.

If you have any questions about this program, please contact the following:

1st Grade	Christie Stanaland (cheriesrn@gmail.com)
2nd Grade	Sarah McCalley (sarah@mccalley.net)
3rd Grade	Nina Lloyd (nlloyd83@gmail.com)
4th Grade	Jamie Wheeler (jwheeler1213@yahoo.com)
K, 5th, 6th Grade	Clare St. Gabriel (clarestg@gmail.com)

**\*\*2018/2019 Planned Schedule\*\***

Due Date	Grades 1 to 6 Worksheet#	Kindergarten Worksheet #
9/11/18	1	
9/18/18	2	
9/25/18	3	
10/2/18	4	
10/9/18	5	
10/16/18	6	
10/23/18	7	
10/30/18	8	
11/6/18	9	
11/13/18	10	
12/7/18	Ice Cream Party for students who completed the 1st 10 Worksheets	
1/15/19	11	1
1/22/19	12	2
1/29/19	13	3
