## JUNIOR / SENIOR HIGH SCHOOL APRIL/MAY 2019 NEWSLETTER

### **A Message from our Assistant Principal of Facilities...**

Can you believe there are only a few weeks left of the 2018-2019 school year? It is hard to believe that our seniors will be graduating on May 24th, 2019! What an outstanding school year, and we can only thank all of you for your dedication to the learning of our students. We have seen some exemplary programs and events such as the high school musical, "Carousel", the middle school musical, "Lion King Junior", the Middle School Dance, the Middle and High School Academic Awards Ceremonies, Prom, Senior Boards, Grad Bash, Science Fair and the various musical concerts in which our students have participated. Our athletic programs continue to thrive. Our boys Soccer team is the Cape Coast Conference Champions. Bringing home the 1st conference championship for our school in any sport! The Lady Wildcat's also accomplished school firsts with Girls Lacrosse placing 3rd in the CCC and being District runner-up. Girls Tennis placed as runner-up for both the CCC and district. Now it is time to bring the year to a close and gear up for final exams.

As we approach the summer months, all students should have completed and submitted their service learning hours. It is important for all students to understand that they cannot register for the 2019-2020 school year if their hours from the previous year are incomplete. In addition, May 30th, 2019, will be here before we know it, and students will need to clear all financial obligations and responsibilities before they leave for the summer.

Speaking of service learning hours, parents are reminded to record their volunteer hours in the Attendance Office for the 2018-2019 school year. As part of the Parent Student Contract, all parents are required to volunteer a minimum of 20 hours per student enrolled at West Shore. Please make sure that you have a current e-mail address in FOCUS so you receive requests for volunteer opportunities that the school sends out. It is because of our parent involvement and continued support that our students excel in all academic and extracurricular activities.

On a final note, it is with great sadness that we say good-bye to an extraordinary Senior Class. The 2019 seniors have continuously demonstrated "Excellence Achieved" and there is nothing these Wildcats cannot handle. We are not only proud of their accomplishments, but are honored to have served them for the last 6 years. We will watch them make a difference in the world and we hope they will come back to visit and share their successes.

Thank you and enjoy the last few weeks of school!

Catherine Halbuer

Assistant Principal / Dean

### BIRTHDAY OR BEST WISHES FOR YOUR STUDENT!

Celebrate with a cookie cake on any special occasion. Each cookie cake will be decorated with sprinkles and will be available in the cafeteria during Power Hour.

#### **Important Change this year:**

Since students do not have a pre-arranged lunch schedule during Power Hour and some students eat outside the cafeteria or attend teacher office hours, students must pick up their cookie cakes from the cafeteria. If you want this to be a surprise, please arrange for your child's friend to pick it up for him/her. If the cookie cake is not claimed 15 minutes before the end of Power Hour, we will do an all-call for the student to pick up his/her cookie cake.

Please submit your request one week before the event. The cookie cake will feed 6-8 people. The cost is \$16.00 per cookie cake. The Birthday Cookie order form can be found on the West Shore Edline page under news or you can pick up a hard copy in the front office. Please fill out the form and return it with the payment (cash or check made out to West Shore) to the Front Office.

# SLC HOMEROOM NEWS

Class of 2024

## 7th grade

What an amazing first year here at West Shore! Our 7th grade students have learned all about the West Shore “way” and have become an integral part of the West Shore Family. Many, many, many 7th grade students still need to complete and turn in their 25 hours of community service.

The students are getting excited about becoming 9th grade students. We have been completing high school / college application resume information that we will keep in student portfolios, as well as having fun with team building skills and voting for student government officers. Students are also in the process of running for election for class officers. Please remember to have your children turn-in their volunteer hours. Many students claim they have their hours finished, but they are not turning-in the forms.

## 8th grade

## 9th grade

The 9th grade class is wrapping up the school year by collecting all service hours from students. We would like these turned in by all students by May 24th. We will also review the students’ resumes so they can continue to develop their school and community involvement. This will allow them to have the strongest potential for college admissions. The homeroom teachers have also been administering Multiple Intelligence tests and discussing results with students to help create an awareness of their own learning styles.

The 10th grade homerooms are starting to wind down and begin the conclusion of a wonderful year. We have focused on character development and continued development as the students progress towards their important junior and senior years at West Shore.

## 10th grade

We have also gotten to focus on creating lifelong friendships through other activities such as our 10th grade kickball tournament.

## 11th grade

The Junior class had a great time participating in Wildcat Challenge! Each SLC group was dressed up based on their homeroom class theme and competed in numerous games and activities throughout the day. Students must remember to submit their volunteer hours as soon as possible to their homeroom teacher.

## **CONGRATULATIONS TO OUR PARTNERS IN EDUCATION OF THE YEAR**

### **FOR PROFIT-BREVARD PROBATE, PA**

Francine Kalish of Brevard Probate has impacted our entire school community through a variety of activities. She provided a welcome breakfast for the entire staff during preplanning, provided informational articles for our parent newsletter and was available to speak to our career classes. We are extremely appreciative of Francine's support for our whole Wildcat family.

## **THE DEAN'S CORNER**

Graduation is around the corner and all students are gearing up for state testing and then exams. Students are reminded to submit their service learning hours before the end of the year as well as to clear up any financial obligations they may have. May 30th, will be here before we know it, and students will need to complete their responsibilities before they leave for the summer.

With warm weather upon us, students are reminded to review the Dress Code. We are seeing a lot of hats, hoods and short shorts starting to reappear. If students are caught violating the Dress Code, they will be required to secure proper clothing before they can report to class. Remember to "dress today for the job you want tomorrow!"

As the end of the year approaches we are noticing more and more students being absent. Please assist us in maintaining our excellent attendance standing by minimizing the number of student absences and/or providing us with the necessary absenteeism documentation. If a student is absent due to an illness, family emergency, religious holiday and/or a doctor's appointment, please remember to provide our Attendance Clerk, Mrs. Lawson with the necessary documentation. Remember, students may not miss any more than 9 school days in a semester in order to receive a passing grade for the semester. Keep in mind that during testing and exams we cannot interrupt the classrooms for student checkout so please try to not schedule appointments around those times.

Thank you and have an enjoyable rest of the school year!

Please support those businesses who support our school. They do so much for us and we want to show our appreciation to them.

## READINESS CHECK

Want a gut check on how  
ready your child is for the  
new school year?

It only takes a few minutes  
with the Readiness Check!

Go to [belearninghero.org](http://belearninghero.org) for  
the Readiness Check, a new (free)  
interactive tool developed by  
leading experts in math and  
reading, to see how your child has  
learned foundational skills needed  
for this year and how to support  
them at home.

### 1 Get a Gut Check

Use the Readiness Check to see how prepared your child is for their new grade. Pay attention to how easy or hard it is for them to do grade-level tasks, and look at their annual state test results from last year. If you haven't received the results yet, ask your child's teacher.

### 2 Partner Up

At your first teacher meeting, bring your child's state test results and ask what they mean for this year. Find out what's expected of your child and how you can support at home. Help the teacher get to know your child by sharing their interests and strengths as well. You can also share what you learned from the Readiness Check.

### 3 Make It Fun

You are the expert on your child and can help make learning exciting! Read together, choosing topics that interest your child. Find math in everyday life and turn it into a game. These small learning moments add up to a lot!

### 4 Celebrate Effort

Help your child see that hard work is what leads to success. Focus on effort and what your child is learning. This will help your child feel less nervous about new tasks or subjects.

### 5 Support Life Skills

Strengths such as communication, problem-solving, and confidence will help your child in school and life. Talk openly with your child about how they feel and how they handle situations, especially the tough ones.

Mr. Eric Fleming, Principal  
West Shore Jr./Sr. High School  
School Board of Brevard County

**Re: Annual Asbestos Notification to Building Occupants and Their Legal Guardians**

Dear Mr. Fleming,

Please communicate this information to all building occupants and their legal guardians.

Our records indicate that no asbestos removal activities or any other type of asbestos response actions have taken place at West Shore Jr./Sr. High School during the past year (July 1, 2017 to June 30, 2018).

Background Information

The United States Environmental Protection Agency (EPA) requires all accredited school districts to provide building occupants with a yearly correspondence describing any/all asbestos materials removed from each school during the past year.

The EPA Asbestos Hazard Emergency Response Act (AHERA) of 1986 required an asbestos inspection of each school facility nationwide. This inspection was completed in 1988. The scope of the survey included sampling building materials that might contain asbestos, assessing the condition of the materials, performing laboratory analysis of each sample, and writing a comprehensive report called an *Asbestos Management Plan*.

The Management Plan document and subsequent Three-year Reinspection documents are on file at the school Administration office. These documents are available to the public for review.

Sincerely,

Jim Powers

# Head Lice Facts

- Head lice are common among all classes of people.
- You can completely control a head lice infestation with manual removal alone. You cannot completely control head lice with head lice shampoos alone. You must combine shampoo treatment with manual removal.

## According to the American Academy of Pediatrics:

- Most cases of head lice are acquired outside of the school.
- Head lice cause no medical harm.
- Head lice are transmitted by head-to-head contact.

# Head Lice

Facts and prevention

## Head Lice Prevention and Control

Head lice are spread most commonly by direct head-to-head (hair-to-hair) contact. However, much less frequently they are spread by

sharing clothing or belongings onto which lice have crawled or nits attached to shed hairs may have fallen. The risk of getting infested by a louse that has fallen onto a carpet or furniture is very small. Head lice survive less than 1-2 days if they fall off a person and cannot feed; nits cannot hatch and usually die within a week if they are not kept at the same temperature as that found close to the scalp.

## The following are steps that can be taken to help prevent and control the spread of head lice:

Avoid head-to-head (hair-to-hair) contact during play and other activities at home, school, and elsewhere (sports activities, playground, slumber parties, camp).

Do not share combs, brushes, or towels. Disinfect combs and brushes used by an infested person by soaking them in hot water (at least 130°F) for 5-10 minutes.

Do not lie on beds, couches, pillows, carpets, or stuffed animals that have recently been in contact with an infested person.

Machine wash and dry clothing, bed linens, and other items that an infested person wore or used during the 2 days before treatment using the hot water (130°F) laundry

cycle and the high heat drying cycle. Clothing and items that are not washable can be dry-cleaned OR sealed in a plastic bag and stored for 2 weeks.

Vacuum the floor and furniture, particularly where the infested person sat or lay. However, spending much time and money on housecleaning activities is not necessary to avoid reinfestation by lice or nits that may have fallen off the head or crawled onto furniture or clothing.

Do not share clothing such as hats, scarves, coats, sports uniforms, hair ribbons, or barrettes.

Do not use fumigant sprays or fogs; they are not necessary to control head lice and can be toxic if inhaled or absorbed through the skin.

## **BREVARD PUBLIC SCHOOLS**

### **5517.01 POLICY AGAINST BULLYING AND HARASSMENT**

In response to changes made to Florida Statute 1006.147, that became effective July 1, 2013, Brevard Public Schools has updated School Board Policy 5517.01 that prohibits bullying, harassment, teen dating violence, and abuse. The policy ensures that all students, employees, and volunteers learn and work in an environment that is safe, secure, and free from harassment and bullying of any kind.

Florida Statute 1006.147 defines bullying to include cyberbullying and means systematically and chronically inflicting physical hurt or psychological distress on one or more students or employees and may involve but is not limited to chronic teasing, social exclusion, threat, intimidation, stalking, including cyber-stalking, physical violence, theft, sexual, religious, or racial harassment, public humiliation, and destruction of property.

Cyberbullying means bullying through the use of technology or any electronic communication, which includes, but is not limited to, any transfer of signs, signals, writing, images, sounds, data or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including, but not limited to, electronic mail, internet communications, instant messages, or facsimile communications. Cyberbullying includes the creation of a webpage or weblog in which the creator assumes the identity of another person, or the knowing impersonation of another person as the author of posted content or messages, if the creation or impersonation creates any of the conditions enumerated in the definition of bullying. Cyberbullying also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons, if the distribution or posting creates any of the conditions enumerated in the definition of bullying.

Harassment is defined as any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a student or employee that: places a student or employee in reasonable fear of harm to his or her person or damage to his or her property, has the effect of substantially interfering with a student's educational performance, opportunities, benefits or has the effect of substantially disrupting the orderly operation of a school.

Bullying and harassment also encompasses retaliation against a student or school employee by another student or school employee for asserting or alleging an act of bullying or harassment. Reporting an act of bullying or harassment that is not made in good faith is considered retaliation. Perpetuation of conduct is listed in the definition of bullying or harassment as causing an individual or group with intent to demean, dehumanize, embarrass, or cause emotional or physical harm to a student or school employee by incitement or coercion, accessing or knowingly and willingly causing or providing access to data or computer software through a computer, computer system, or computer network within the scope of the district school system and/or acting in a manner that has an effect substantially similar to the effect of bullying or harassment.

Cyber-stalking, as defined in Florida Statute 784.048(1)(d), means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose.

Florida Statute 1006.148(1)(a) prohibits dating violence and abuse by any student on school property, during a school-sponsored activity, or during school-sponsored transportation.

West Shore Jr./Sr. High School is committed to providing a safe learning environment and will not tolerate bullying or harassment of any kind. Incidents of bullying or harassment can be reported to the principal or any administrator. Anonymous reports can also be made by calling the Speak-Out Hotline at 1.800.423.8477.
