

Student Government Honor Cord Policy

The purpose of this program is to create an incentive for Student Government Members to actively participate in the Student Government Association and to recognize their hard work and dedication to Student Government. Honor cords are given to Student Government members to award those students who will render their service through SGA.

In order to be eligible to receive a Student Government honor cord a member must meet all requirements.

 - a. Seniors with only one (1) year of service on Student Government may receive an honor cord, if they have demonstrated outstanding service.
 - b. The Advisors of Student Government will do an evaluation for the senior with one (1) year of service.
3. A Student Government member must have a minimum of thirty (30) hours served through Student Government projects in those two (2) years. These service hours do not include Bright Futures service hours or service hours for any other organization.
