## Federal Impact Aid Forms

Your child will be bringing home the Federal Impact Aid Form today. Impact Aid is compensation from the Federal Government for federal property that has been removed from local tax rolls. The district generates approximately \$500,000 yearly from these forms. These funds are used for school support, maintenance and construction. There is detailed information on the back of the form. All information will be treated confidentially. Please look for this form, complete one for each child and return them to their teachers as soon as possible.

It is important to complete all fields, date and sign. Thank you.

## School Grade Information

The Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA), and implementing regulations maintain requirements for state and local educational agencies to prepare and disseminate report cards that provide information on State, Local, and school performance and progress in an understandable and uniform format. The link provided will take you to Atlantis Elementary's report card. A printed copy can be found in the Title I Parent Notebook located in the front office. If you would like a printed copy or need the document translated into another language, please notify the front office clerk, Jennifer Griffin, for assistance.

Along with the school report card, the state also issues an annual district report card. Brevard Public Schools' District Report Card can be found by either going to the Brevard Public Schools' website under Helpful Links on the front page and choosing **BPS State Report Card** or by going directly to the Florida Department of Education's website at

## Spanish

La Ley de Educación Primaria y Secundaria de 1965 (ESEA), enmendada por la Ley de éxito de todos los estudiantes (ESSA), y las regulaciones de implementación mantienen los requisitos para que las agencias educativas estatales y locales preparen y difundan las boletas de calificaciones que brindan información sobre el estado, el local y rendimiento escolar y progreso en un formato comprensible y uniforme. El enlace proporcionado lo llevará al boletín de calificaciones (Atlantis Elementary). Se puede encontrar una copia impresa en el Cuaderno para padres del Título I ubicado en la oficina principal. Para traducir el informe al español, mire la parte superior de la primera página y verá una opción para "seleccionar el idioma". Haga clic en la flecha y elija español. Si desea una copia impresa, notifique al secretario de recepción, Jennifer Griffin, para obtener ayuda.

Junto con la boleta de calificaciones de la escuela, el estado también emite una boleta de calificaciones anual del distrito.
