

For the week of March 18th, 2024

THE TERRIER PAWS from Mrs. Gonzalez

Terriers,

Please review the information below regarding what a student should do if he/she has information regarding something detrimental to the school or a student and is afraid to report it in person.

SpeakOut 800.423.TIPS <http://www.speakouthotline.org/sitemenu.aspx?ID=147&P=index>

SpeakOut Hotline is designed to help you anonymously report any threatening behavior or situation that endangers you, your friends, family, community, or your school campus. Reporting isn't "snitching," reporting is when you need to keep yourself or someone you know safe from threats, harmful behaviors, or dangerous situations. By guaranteeing a caller's anonymity, SpeakOut allows the caller to give information without the fear of retribution.

FortifyFL (App) <https://getfortifyfl.com/>

FortifyFL is a suspicious activity reporting tool that allows you to instantly relay information to appropriate law enforcement agencies and schools' officials.

Family Survey 2024: We Want to Hear from You! THS requests 15 minutes of your time to complete an online survey that will help us improve your child's school. We have asked YouthTruth – a nonprofit organization that supports hundreds of schools and districts across the country – to conduct an anonymous survey on our behalf. **Please take this survey before it closes at midnight on Friday, March 22 by clicking this link: ytsurvey.org/brevardfamily24.** Please note:

- The survey needs to be completed in one sitting.
- One member of each household should fill out the survey.
- If you have more than one child who attends the same school, you may respond to the survey multiple times – one time per child.

- If you write any comments, please do not include your name or anything else that might identify you. Your responses are anonymous, and they will be combined with the responses of other parents and guardians before being shared back with school and district leadership.

We sincerely thank you for taking the time to provide your feedback. Your response is incredibly valuable to us!

- **Drop-off/pick-up must be done on campus – not at Kim’s Donuts or the apartments to the east of the school.**
- Non-motorized vehicles (bikes, skateboards, scooters, etc.) **MUST** be walked through the parking lot.
- Be aware of your surroundings – watch for cars/pedestrians and look **AROUND** you, **NOT** at your phone.
- The parking lot speed limit is **ONLY 5 MPH!**
- Watch for and **yield to pedestrians.**
- Both bikers and drivers **MUST** obey stop signs. Come to a complete stop, look both ways, and proceed when it’s safe to do so.
- If turning right at the traffic light, if the light is red, come to a complete stop before turning.

Campus Entry: As part of a security enhancement initiative, the district recently installed doorbells that must be rung prior to entering the school. Please be prepared to show an ID prior to being buzzed in. We ask that you share this information with your student's emergency contacts.

Student Parking: All students who drive to school must display a 2023-2024 parking hang tag either by their rearview mirror or on their dashboard. To buy a hang tag, students should bring a valid driver's license, vehicle registration, and \$20 cash (no bill larger than a \$20 bill) to Ms. Desjardins in the Media Center before school, after school, or during lunch. **Students who park on campus without a parking hang tag will receive a \$5 fine that will be charged to their Obligations list.** After three tickets, students will be referred to the dean.

DEAN'S OFFICE *from Dean Sanders & Hanson*

NO-GO list- Please be advised that if a student is suspended he or she will be placed on the NO-GO list for the quarter in which the suspension was received. Student's are also placed on the NO-GO list for obligations.

Attendance Compliance Reminder: We will be conducting attendance compliance exercises soon to help improve tardiness prior to the next testing window. Please speak with your student about the importance of attending class on time. Students who do not attend class on time will face disciplinary consequences.

Early Dismissal Reminders - BPS Board Policy 5230 relates to the early dismissal of students. As has been stated in the THS Student Handbook for many years, please be aware of the following procedures for student check out:

Emergency Check Out - The emergency contacts you provided during registration are **only** for emergencies. This means that if an emergency occurs and the custodial parent/legal guardian is **NOT** able to check out the student, the Attendance Clerk will contact the custodial parent/legal guardian to verify that the student may be released to an emergency contact. The emergency contact must present valid identification to check out the student. Students will **NOT** be released to individuals not listed on the emergency contact list; please update this information if necessary.

Non-Emergency Check Out - For the safety of our students, **only** the custodial parent/legal guardian may check out students. As stated in the Student Handbook for the past several years, if a parent/legal guardian cannot check out a student, students must bring a doctor, court, or parent note that includes the date, time, phone number of parent/guardian, the emergency contact who will check out the student, or which grants

permission for students who walk/drive to leave. **Students should give the note to the Attendance Clerk by 9am (or upon arrival at school). The clerk will call the parent/guardian to verify the request. Without a written note, only the parent/legal guardian will be permitted to check out the student.**

If your phone numbers/email address have changed or you need to add emergency contacts, please contact the Front Office by Friday, November 17 to update your information.

Breakfast Hours – The cafeteria is open from 8:00am – 8:40 am every day. Students who eat breakfast should proceed directly to the cafeteria when they arrive on campus. Students who arrive on campus after 8:40am will not have the opportunity to get breakfast from the cafeteria.

Food Deliveries – Students and parents may **NOT** have food delivered to school. Any food delivery to school will be turned away. It is a violation of our school safety plan to have food delivered on campus or passed to students through a gate or fence.

Cell Phone Referrals – A reminder that cell phone referrals **DID NOT** start over in January. After the third referral, students may be suspended from school.
