**Curriculum Corner** 

- The deadline to register for spring EFSC classes is December 17<sup>th</sup>. Students need to speak with their counselor ASAP if they have any questions.

**Important information concerning the upcoming End-of-Course (EOC) exams:**

- Please be aware that all EOCs count as a final exam grade and **comprise 30% of course grades.**
- Students who do **not** complete an EOC will receive a grade of zero for the exam, which will adversely affect final grades and students' GPAs. Therefore, it is critically important that all students currently enrolled in these classes sit for EOC's. Please keep this in mind as you plan any holiday travel.
- All EOC's may only be taken **ONE** time. They may **NOT** be retaken for a higher score.

**Geometry, Biology, and U.S. History EOCs:**

- Will be administered January 6 – January 15, 2021 for students who are currently enrolled in those classes.

Students will receive notifications regarding their EOC exams date(s), time(s), and location(s) through Focus messages. This information will also be posted outside the cafeteria. Questions about EOC testing should be directed to the testing coordinator, Alicia Gaines, at [Gaines.Alicia@brevardschools.org](mailto:Gaines.Alicia@brevardschools.org), ext. 27528.

Lastly, final exams for courses that do **not** have an EOC are scheduled for January 14 – January 15. Course final exams comprise 20% of final grades, with Quarter 2 grades posting to Focus on January 21. Students who miss final exams should make arrangements with teachers to make-up tests as soon as possible, but prior to January 29, 2021.

Please reach out to your student's guidance counselor with any questions:
