Pick **Brevard Virtual School** when Registering for an Online Course

1. Go to http://flvs.net 2. Click on the "Enroll" button on the top ribbon.	3. Scroll down to County Virtual School section and click the button for the appropriate grade level.	
4. Click on "registration system" under Step 2 or you can click the "Enroll" button below the picture. 5. On the pop-up window, select "Brevard" and the correct school type, then click the red "Continue" button.	6. Use the tabs at the top to select the grade level for the course(s) you are sign up to take. 7. When you locate the course, click on the name. 8. Review the course description and click the red "Add to Backpack" button if you would like to sign up for that course.	
9. **Existing accounts:** If you have previously taken a BVS or FLVS course, log into your existing account here. a. On the next three screens, answer the questions and click the red "Continue" button. b. Skip to step 11 below. 10. **New accounts**: If you have never taken a BVS or FLVS course, click on the blue "Create an Account" button. a. Choose your username/password. Write it down! b. Complete your personal information. In the phone number section, enter the best number for reaching the student. Click "Continue". c. Enter the Parent/Guardian information on this page then click "Continue". d. Review the information you entered, make any edits necessary. Click "Continue" when complete. e. Answer the questions on the next three pages.	11. On this page, select which part of the course you need. 12. Enter your preferred start date. 13. Click "Continue".	14. On the pop-up window, click the box to confirm your selection. 15. Click the "Continue" button.	16. Review your information, then click the "Submit Enrollment" button. Your requests now need guidance approval. To access the account, log in at http://vsa.flvs.net.	
BVS is powered by Florida Virtual School.
