

FOUNDERS DAY PARADE- NJHS & BETA CLUB Nov 6th, 2021
Theme: 'CITY BUILT BY VOLUNTEERS'

Thank you to all the students and parents who participated in the parade. It was a great event. Students decorated the van to supplement a mini float and brought in their pull along wagons representing various causes around the space coast. Students walked along with inflatables of 'orca', whale, and shark to emphasize the cause 'Save marine life'. Excellent turnout and great participation by the NJHS/BETA club students.
