OPTIONAL EVENT FOR VOLUNTEER HOURS

STUDENTS WHO DECIDE TO PARTICIPATE IN PERSON NEED TO WALK ALONGWITH THEIR PARENTS

The cancer society has a fundraising 2K walk planned for October 23rd which starts from the Avenue Viera at 9:00 am. **The walk is offered both in person and virtually.** Please see the attached document for information regarding the walk. You can participate either in person or virtual.

If you are interested in participating in person, your parents have to walk with you, since there may be a huge turnout for safety reasons we recommend that parents walk along with their students. Registration is optional if you want to register you can register under the team
