

**Things have changed significantly this year to apply for Cambridge or the academies at Eau Gallie High School. Please read the following carefully!**

If you are **ZONED** for Eau Gallie (it is your home high school): Go to the [Eau Gallie home page](#) and click on the **Open Enrollment Survey** about halfway down the page. Fill out your child's information and pick which program you are applying for. That's it! The school will look up your child's FSA scores and grades. Johnson teachers will communicate directly with Eau Gallie guidance to recommend a class for your child in the spring. This will count as a teacher recommendation, so no additional forms will be needed.

For students that want to apply for **BOTH** Cambridge and a CTE program: On the survey, choose Cambridge. When the Eau Gallie guidance counselors come to Johnson for registration of classes in the spring, students will then be able to choose a CTE program such as Aviation, Digital Design, Marine, Tech Design, Childcare or Auto. If you only want to apply for one program, choose that on the survey.

If you are **NOT ZONED** for Eau Gallie but want to attend Cambridge at Eau Gallie: You must apply through the county website Family Dashboard. It is listed under Parents & Students on the [BPS Homepage](#). This application is available from January 6 - February 28. You will need to follow the prompts and turn in 2 teacher recommendation forms. Please know that if your zoned high school has Cambridge (Rockledge, Heritage) you *cannot* apply for Cambridge at Eau Gallie. However, you **WILL** be able to apply for a special program at Eau Gallie that is not offered at your zoned school.
