2020 - 2021

Space Coast Education Options

**FACE-TO-FACE**
- Students will take block scheduling consisting of 4 courses - 90 minutes each class for each semester.
- Students are in class with teachers at their zoned school and follow a regular school day.
- Families must comply with BPS health and safety guidelines while on school property, during school activities and while in transit with BPS transportation.

**ELEARNING AT HOME**
- Full-time at-home learning at child’s zoned school with live instruction and teacher interaction.
- Students will follow a typical school day schedule via technology and other instructional resources.
- Provides parents the option to re-evaluate at the end of each 9 week period to return to brick and mortar with the same teacher(s) (where possible).
- Special programs such as ATEPS, CTE, Launch, and STEAM are available.

**PART TIME IN PERSON/ELEARNING**
- **PART TIME BREVARD VIRTUAL**
- Multiple learning options to meet unique academic, personal, or program study needs.
- Combination of face-to-face, eLearning, and Brevard Virtual courses at home creating a partial school day experience OR an entirely at-home schedule.
- Full or Part-Time Dual Enrollment available to qualified high school students.

**FULL TIME BREVARD VIRTUAL SCHOOL (BVS)**
- Students enrolled at BVS are no longer Space Coast students.
- BVS is taught by local Brevard Public School teachers.
- Families create their own learning schedule.

**NOTE:** Families of students with disabilities and English Language Learners who choose an option other than Face-to-Face may be contacted by school personnel to review the individual student’s needs.

To reserve your students eLearning seat fill out the Space Coast eLearning Enrollment Form
