March 3, 2020

Panthers,

Last month was a great month to be on team Endeavour! I hope each of you were able to connect with your child’s teacher for a conference and/or you made it to our Black History Program. Our sixth graders did such a good job they were invited to perform at Cocoa High. That is some serious Panther Pride!

Last month we started a LEADER challenge in all classes to improve our attendance. Everyday every member of a class arrived on time they wrote a letter on a calendar. The goal was to spell Leader, I am proud of all the classes that met the challenge. Our best attendance day last month only had 36 students absent. Keep it up!

In March we are starting a March Madness Challenge. Last month we had a 92% attendance rate, we are setting a goal of 95% for March. Help us make the most of every instructional moment by sending your student to school each day and on time. The top five classes will be announced each week. The winning class will receive a pizza party. Other incentives include Popsicle parties as well as seeing their class moving up on the attendance bracket posted in the cafeteria.

Please remember you can reach out for a conference anytime and that i-Ready is available for use at home.

Respectfully,

Chris Reed

Parent Survey March 3rd - March 20th

Parents are invited to participate in the Brevard Public Schools parent survey. The survey will be available in English and Spanish to all parents on Monday, March 2nd through Friday, March 20th.

*Parents can access this survey on line at: [https://tinyurl.com/BrevardFE](https://tinyurl.com/BrevardFE).*

If you are unable to complete this online survey from home, feel free to visit your school to complete it electronically or do it on your smartphone. Paper copies are also available upon request from your school.

By completing this survey, you will help us serve each of our students at Endeavour Elementary with excellence.

A summary of the parent survey results will be reported and posted on the BPS Family Engagement website at [https://tinyurl.com/BrevardFE](https://tinyurl.com/BrevardFE) as well as our school website. Survey results and comments will guide school improvement efforts and be used to meet the diverse needs of Brevard students and families.
